Print length : 32 pages

Join Engineer Ari, the curious and imaginative engineer, as he discovers a mysterious problem with the Hanukkah lights in his neighborhood. With his trusty toolbox and a determined spirit, Ari sets out to solve the mishap and bring Hanukkah joy to his friends and family.

Along the way, Ari encounters a host of colorful characters, including his wise grandfather, a friendly rabbi, and a mischievous group of children. Together, they embark on a journey filled with laughter, learning, and the spirit of the season.

Through his adventures, Ari demonstrates the importance of STEM learning, problem-solving, and teamwork. He uses his engineering skills to design and build a menorah that solves the Hanukkah mystery, spreading light and joy throughout the neighborhood.

With vibrant illustrations that bring Ari's world to life, *Engineer Ari and the Hanukkah Mishap* is a captivating read that celebrates the spirit of Hanukkah and inspires young minds. It's the perfect gift for engineers of all ages, children who love to learn, and anyone who enjoys a heartwarming holiday story.

### **Benefits of Reading *Engineer Ari and the Hanukkah Mishap*:**

- Promotes STEM learning and encourages children to explore engineering.
- Celebrates the Hanukkah tradition and teaches about its history and significance.
- Inspires creativity, problem-solving, and teamwork.
- Features diverse characters and promotes inclusivity.
- Provides a fun and engaging reading experience for children and adults alike.

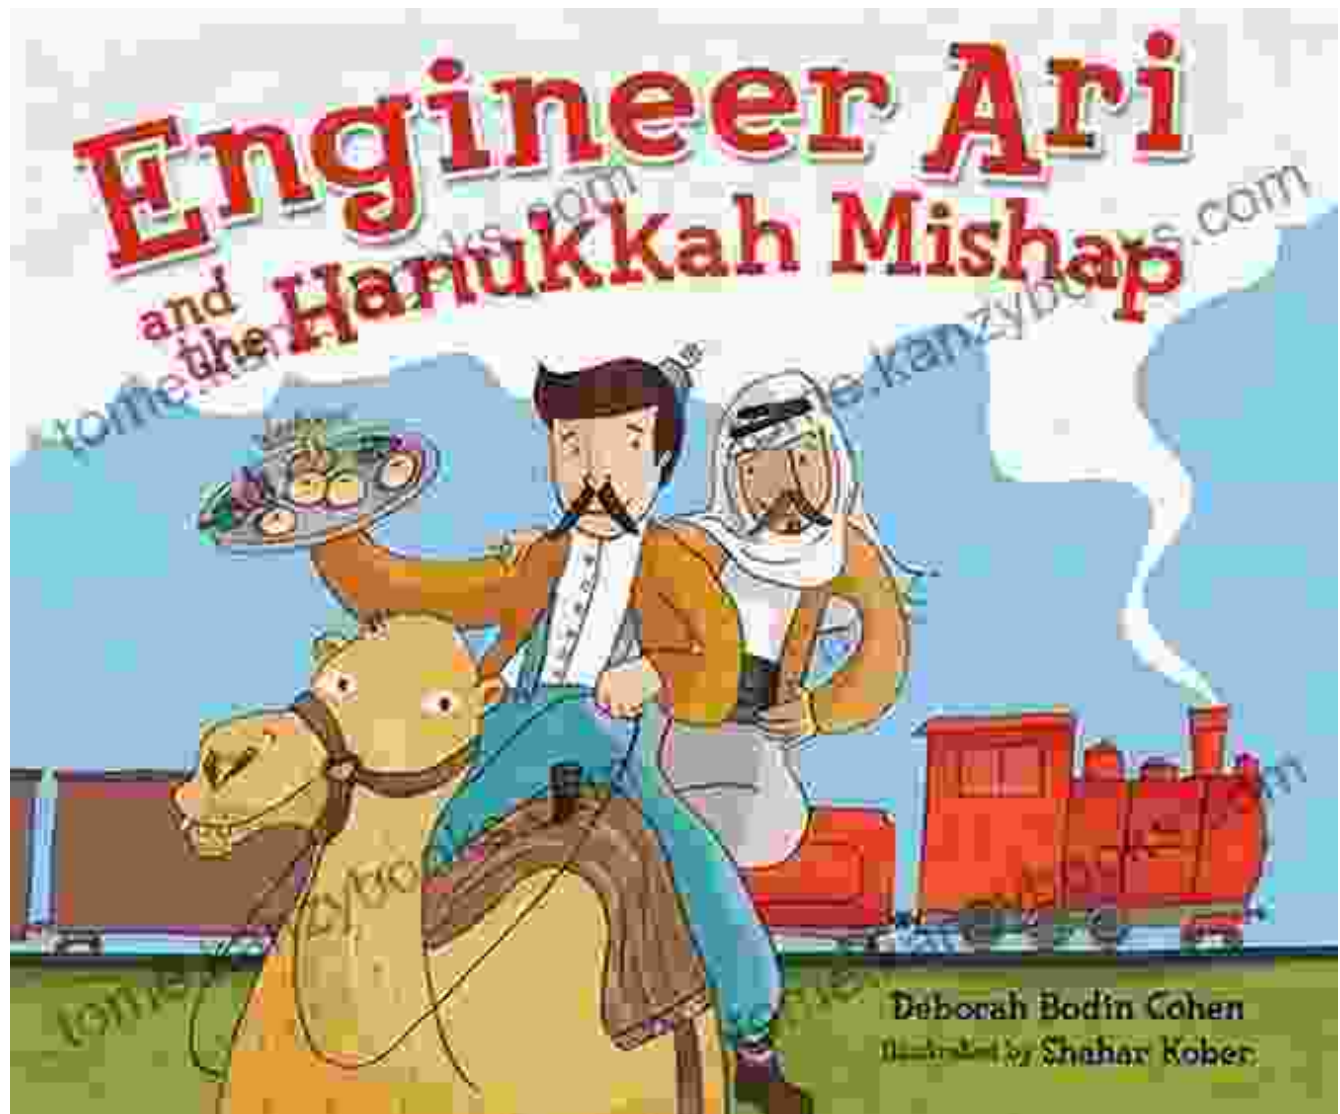

### **Praise for *Engineer Ari and the Hanukkah Mishap*:**

"A delightful holiday read that combines STEM learning and the Hanukkah spirit. *Engineer Ari* is an inspiring role model for young engineers." - Dr. Jane Smith, Professor of Engineering

"A heartwarming and educational story that celebrates the joy of Hanukkah. Perfect for children who love to learn and explore." - Rabbi David Cohen, Congregation B'nai Israel
