When Wendy Wakefield was diagnosed with stage 3 breast cancer, she was told she had a 20% chance of survival. She was not satisfied with this prognosis, so she embarked on a journey to find alternative treatments that could help her heal. After months of research and experimentation, she found a combination of natural remedies and lifestyle changes that helped her beat cancer naturally.

In her book, *Following The Cancer Brick Road From Diagnosis To All Clear Naturally In Months*, Wendy shares her story and the lessons she learned along the way. She provides detailed information on the natural remedies and lifestyle changes that she used to heal, and she offers hope and inspiration to others who are facing a cancer diagnosis.

What's Inside the Book

Following The Cancer Brick Road is divided into four parts:

1. **The Diagnosis:** Wendy shares her story of being diagnosed with cancer and the emotional rollercoaster she experienced.
2. **The Journey:** Wendy describes the natural remedies and lifestyle changes that she used to heal. She also provides information on the research that supports these therapies.
3. **The All Clear:** Wendy discusses the moment she received the all-clear from her doctor and the steps she took to maintain her health.
4. **Living Beyond Cancer:** Wendy offers advice on how to live a healthy and fulfilling life after cancer.

The book also includes:

- A comprehensive list of resources for cancer patients and their loved ones
- Personal stories from other cancer survivors
- Inspirational quotes and affirmations

Who Should Read This Book

Following The Cancer Brick Road is a must-read for anyone who has been diagnosed with cancer, as well as their loved ones. It is also a valuable resource for healthcare professionals who are looking for alternative treatments for their patients.

If you are facing a cancer diagnosis, this book will give you hope and inspiration. It will also provide you with the information you need to make informed decisions about your treatment options.
